

Cintola Maxi Pendant

The Cintola Maxi Pendant combines hand blown glass diffusers with an anodised aluminium body. The glass is available in seven different colours. The pendant uses constant current LED's with a colour temperature of 3000k. The LED drivers are TRIAC dimmable.

120v 18 x 350mA 1.2w LED 3000k
230v 18 x 350mA 1.2w LED 3000k
